

National Landcare Network

**The national peak body for
Landcare groups across Australia.**

Where Australia's community-led Landcare movement speaks with one voice — connecting local action to national policy, investment and impact.

Landcare is:

Community-led

Local people delivering practical solutions

Place-based

Action grounded in local landscapes and local priorities

Investment-ready

A long-standing network ready to mobilise partnerships and volunteers

Landcare recognises the enduring connection of First Nations peoples to land, waters and culture, and the knowledge that has shaped, and continues to shape, Australia's landscapes and communities.
